

TRANSALP

ACCESSORIES **XL750 TRANSALP**

The original Transalp

The original Transalp, introduced in 1986 with a 583cc V-Twin engine, is something of a legend. And as testament to the sheer quality of its build and timelessness of its design, many can still be seen on Europe's roads today.

This is just what the new XL750 Transalp is built to do, and a legend of adventure touring is thus reborn.

Protection

ENGINE GUARD 08ESY-MLC-ENG

The Engine Guard protects the engine frame in case of fall or collision, while providing an enhanced adventure appearance to the motorcycle. Made of steel and finished in Mat Beta Silver Metallic colour. This accessory is required to fit the Skid Plate onto the motorcycle.

This kit includes:

- Engine Guard
- Guard Attachment

FRONT SIDE PIPE 08P72-MLC-D00

The steel side pipes reduce damage to the motorcycle fairings and other parts in case of fall, while providing an enhanced adventure look.

The Guard Attachment (08P74-MLC-D00) is required to install it.

SKID PLATE 08P71-MLC-D00

The skid plate consists of a 2.5 mm thick aluminum plate with excellent strength and corrosion resistance. It is designed to protect the motorcycle parts located around and below the engine like the oil filter or the exhaust pipes, and shaped to fit perfectly with the engine guard for a more compact and resistant appearance.

To install the Skid Plate, Engine Guard and Engine Guard ATT are required.

RADIATOR GRILL 08F74-MLC-D00

The Radiator Grill, featuring the TRANSALP logo and made from stainless steel, has an original mesh pattern combining cooling capability with protective function. This reduces potential damage to the radiator core from debris.

KNUCKLE GUARD & EXTENSION 08ESY-MLC-KNGZB / 08ESY-MLC-KNGZC

The Knuckle Guards improve the ride comfort by protecting the rider's hands against adverse weather and wind. (Extension included)

Available in the following colours:

- 08ESY-MLC-KNGZB White Knuckle Guards
- 08ESY-MLC-KNGZC Black Knuckle Guards

TANK SIDE STICKERS

08P70-MLC-D00ZA / 08P70-MLC-D00ZB / 08P70-MLC-D00ZC

These tank side stickers, feature the TRANSALP logo. The special surface treatment makes them resistant to scratches and stone chips when driving on rough roads or off-roading, while their flexible sheet makes them easy to install onto the tank surface.

Available in 3 colours:

- Dark Blue - suggested combination with Transalp in "NH196" Ross White (Tricolor) - (08P70-MLC-D00ZA)
- Grey - suggested combination with Transalp in "NHA86" Mat Ballistic Black Metallic - (08P70-MLC-D00ZC)
- Black - suggested combination with Transalp in "NHC64" Mat Iridium Gray Metallic - (08P70-MLC-D00ZB)

Performance

RALLY STEPS 08R79-MKS-E00

With their aggressive spike shape and a surface 57% larger than the standard ones, these Rally Steps improve the stability and control during off-road riding while reduce risk of boot slip.

QUICK SHIFTER 08U70-MLC-D00

The Quick-shifter allows up and down clutchless gear changes, with auto blipper function for smooth and instant shifting which enables stress-free riding not only for sports driving but also for touring.

Features adjustable operation load in three stages.

TRANSALP

Design & maintenance

WHEEL STRIPES

08F73-MLC-D00ZA / 08F73-MLC-D00ZB

These colour-matching wheel stripes, featuring the TRANSALP logo, increase the sporty appearance of the motorcycle. The kit includes 2 stripes per wheel side.

Available in 2 colours:

- Tri-colour - suggested combination with Transalp in "NH196" Ross White (Tricolor) - (08F73-MLC-D00ZA)
- Grey - suggested combination with Transalp in "NHA86" Mat Ballistic Black Metallic or "NHC64" Mat Iridium Gray Metallic - (08F73-MLC-D00ZB)

MAIN STAND

08M70-MLC-D00

The Main Stand allows secure parking on a variety of ground surfaces and assists with maintenance operations or long-term storage.

Luggage

50L TOP BOX

08ESY-MLC-TB50

With a large capacity of 50L, this plastic top box can store two helmets in. The Honda one key system allows to operate the top box by using the ignition key.

This kit includes:

- 50L Manual Top Box
- Top Box Pad (Cushion) BLACK
- Key system inner cylinder
- 50L Top Box Base
- 25L Top Box Inner Bag
- Aluminium Panel Top Box

PANNIER SET

08ESY-MLC-PNAL

Set of 2 panniers with a 26L capacity on the right side, and 33L on the left. The "Honda one key system" allows to open and close the panniers by using the key of the motorcycle. Maximum load capacity (both sides): 6 kg

This kit includes:

- Pannier Case (R26,L33)
- Pannier Inner Bags
- Panel R/L Pannier
- Key System Inner Cylinder x2
- Pannier Support Stay
- 2x Key System Inner Cylinder

TANK BAG

08L89-MKS-E00

This light and compact Tank Bag features a transparent pocket and it's ideal to store small personal items. Unnoticeable while steering the bike, this Tank Bag is firmly attached thanks to a one-touch buckle and a magnet. A rain cover is included.

Capacity: 3L

Maximum load weight: 1,5 kg

TOP BOX PAD (CUSHION)

08R74-MLF-E00ZA

Designed to match the 50L Top Box, this backrest is made to enhance the passenger comfort and reduce the fatigue in long rides and journeys.

PANNIERS INNER BAGS SET

08L78-MKT-D00

Set of 2 inner bags matching the shape of the panniers new design. Available in black with a discrete Honda signature, these inner bags come with a shoulder strap for easy carry.

25L INNER BAG FOR TOP BOX

08L77-MKT-D00

The Top Box inner bag provides a 25L capacity storage and is easy to carry thanks to its shoulder strap. Featuring Honda Logo.

Comfort

HEATED GRIPS

08T70-MLC-D00

Extremely slim heated grips focusing on the area of the hands most sensitive to cold with a 5-level integrated controller for maximum rider comfort. Operated with the handlebar switch, the TFT monitor displays the temperature adjustment level. An integrated circuit protects the battery from draining. The last level selected is memorized when the ignition is switched off.

FRONT FOG LIGHTS

08ESY-MLC-FFL

Set of 2 additional front LED headlights with all necessary components for the fitment to the front side pipe (not included). Increase the visibility for the riders and make them more noticeable for the surrounding traffic.

Operated directly with the handlebar switch and signaled on the TFT monitor when activated. 2 led lamps of 11W.

This kit includes:

- Front Fog Light
- Front Fog Light Attachment

COMFORTABLE PILLION STEPS

08R71-MJP-650

Deluxe pillion footpegs made of aluminium and rubber that are wider than the standard pegs for increased comfort.

12V SOCKET

08U71-MKK-D00

Power or charge electrical equipment using this convenient 12V Socket (Provides 2A).

DEFLECTOR SET

08ESY-MLC-DFL

Wind and weather protection are enhanced by the Deflectors, which improve the ride comfort by reducing traveling air around the rider's arms, chest and shoulders.

This kit includes:

- Windscreen deflector
- Fairing deflector

HIGH SCREEN

08R73-MLC-D00

The height of the normal screen is extended by 75mm for this accessory High Windscreen, which increases rider and passenger comfort by maximizing wind and weather protection.

The coated strong polycarbonate surface featuring the Honda logo is scratch-resistant. No additional hardware required for the installation as it is directly mounted in replacement of the standard screen.

LOW SEAT *BLACK*

08R74-MLC-D00ZB

The Low Seat, which is 20 mm lower than the standard seat, improves ground reach.
